

CASE STUDY: DWP Building, Halifax

Client: Department for Work and Pensions

Main Contractor:

Kier North West in partnership with Calvey Restoration

Contract: Refurbishment of Existing Buildings –
Suspended Ceilings, Partitions,
Plastering & Drylining

Contract Value: £65,000

Contract Period: 6 weeks

Date Completed: June 2021

As part of the governments 'Plan for Jobs' scheme, which aims to hire 13,500 new Work Coaches across the country, the brand new Halifax office has been refurbished and redesigned to accommodate much needed office space.

On this project we installed British Gypsum metal stud partitions, drylining with plaster finish and Ecophon Suspended Ceilings.
