## **ProfiWall.**

**A dynamic and professional drylining subcontractor that you can rely on.**

With over 50 fully qualified site operatives we ensure that your job is top of the agenda.

We believe in looking after and developing our tradesmen to deliver projects on time, on budget and to the highest quality standards.

- We cover the whole of the North West.
- £3 Million Annual Turnover, we're big enough to cope but still small enough to care.
- In 2023 we successfully completed over 500 houses and apartments

### **Excellent Project Management**

Our management team ensure they are out on-site daily working with their operatives to ensure all projects are finished safely and to the highest of standards. We consider ourselves big enough to cope, small enough to care!

### **Health & Safety Compliant**

This is of paramount importance at Profiwall. As well as being fully health & safety compliant, all our tradesmen have NVQ's and CSCS cards, and where necessary PASMA, IPAF etc. All our managers have SSSTS as a minimum.
