

CASE STUDY: St Paul's Street, Low Moor, Clitheroe

Client: Private Client
Contract: Rendering to external walls
Contract Value: £12,000
Contract Period: 1 week
Date Completed: June 2022

About the project:

Built on the site of an old chip shop, these two new build houses required rendering to the side elevations.

Our role in the project:

On this project Profiwall applied a through coloured render using K-rend products.
