Transformed from a former concrete car park the Hollywood-style Everyman Cinema is home to a three-screen cinema, a bar and a restaurant. Filled with colourful patterns, dark mirrored ceilings and red neon signs Everyman provides the utmost in Hollywood glamour.

Profiwall was very proud to work on this challenging project. The program was very tight, but with working weekends and evening shifts we were able to hand this over to the client on time. The end results are amazing.

“The interaction and dynamic between Profiwall and the MEDLOCK project team was also very good. Taking into consideration the scale of the works and the COVID lockdown in the middle of the programmed works they were completed on time, to the desired standard and in-line with the budget. A good job!”

Pete Staniland Project Manager, Medlock.
