

CASE STUDY: Leigh Town Hall Leigh

- Client:** Wigan Council
- Main Contractor:** **CAREFOOT**
- Contract:** Refurbishment of Town Hall – Traditional Wet Plaster, Ceilings, Partitions & Drylining
- Contract Value:** £280,000
- Contract Period:** 18 months
- Date Completed:** January 2021

Historic Leigh Town Hall has undergone an extensive and lengthy top to toe refurbishment over an eighteen-month period. The whole building at Leigh has been renovated and restored to its former glory. The refurbishment included a small extension, new showcase, and lift, three secure archive vaults in the basement and the replacement of the original windows.

The challenges for Profiwall on this project have been too many to mention, but again we have professionally delivered a project for one our major clients, Walter Carefoot Construction. We are extremely delighted to see the finished results and are very proud to have been a part of such a massive renovation project.

“Very proactive contractor and works to strict d4eadlines as and when required”.

Martin Turner Quantity Surveyor, Walter Carefoot Construction.
