

CASE STUDY: HCV Scania Service Centre, Preston

Client: Scania

Main Contractor: CAREFOOT®

Contract: New Building – Drylining, Metal Stud Partitions & Ceilings

Contract Value: £90,000

Contract Period: 9 weeks

Date Completed: November 2020

Across the road from their previous site HCV Scania has invested in a purpose-built, state-of-the-art service centre. The new site occupies 2.5 acres of prime commercial land adjacent to Junction 29 of the M6. The premises feature seven 28-metre workshop bays with three 22-metre pits, with a door height of five-metres allowing access for trailers and double-deck buses. It is equipped with new brake rollers, tachograph calibration equipment and a range of special tools.
