

CASE STUDY: Bright Futures School Oldham

Client: Bright Futures School

Main Contractor: **MEDLOCK**
fit out · refurb · build

Contract: New Build - Ceilings, Partitions & Drylining

Contract Value: £65,000.00

Contract Period: 4 weeks

Date Completed: February 2020

Work began in July 2019 on a brand-new independent school dedicated to helping children with autism aged five to sixteen. The single-storey steel frame construction is wrapped in cedar and stone cladding and features fifteen classrooms, a sensory room, workshop, kitchen and dining rooms, office, staff areas and a medical room.

Due to previous trades being behind due to poor weather conditions, Profiwall's team came in over the Christmas period to pull the program back on track for the client.
